

Good Friday Prayer Vigil

Where can I park?

Car / Carpool / Van Parking

Anderson Parking Facility

There is no parking near the new mega-Planned Parenthood on Good Friday.

We have reserved free parking at one of the University of St. Thomas parking areas (at the St. Paul Seminary) and will be running shuttle buses all day to and from the Vigil. We are encouraging groups to arrange a bus of their own. All buses must be registered with our office to find out the logistics of the day. We have another off-site parking lot for these group buses.

Directions to parking

From I-94: Take the Cretin-Vandalia exit and go south on Cretin and turn right into the parking area across from Grand Ave. (south of Summit Ave.) Follow the signs/directions for parking and riding a bus.
