

SIDEWALK MINISTRY TRAINING SEMINAR

Learn peaceful, legal methods of saving babies from abortion through prayer, literature, and words of truth in love. If you can hand someone a brochure, you could save a life!

plam.org/events

"If you faint in the day of adversity, your strength is small. Rescue those who are being taken away to death; hold back those who are stumbling to the slaughter." (Prov. 24:10-11)

Sidewalk Counselors

peacefully offer literature to abortion-minded moms and dads about the (1) Help Available, (2) Humanity of Preborn Children, and (3) Harm of Abortion, while encouraging them to choose life, and directing them to a Pregnancy Resource Center.

This precious little boy was saved through sidewalk counseling!

Sidewalk Prayer Supporters

are also visible witnesses of the Truth and Love of our Lord to the families entering abortion facilities. They are a vital part of our sidewalk ministry program. Those interested in this are encouraged to attend as well.

Not sure whether sidewalk ministry is for you? Come and see! Christians of all denominations are encouraged to attend this free seminar.
