Sidewalk Volunteer Code of Conduct

Pro-Life Action Ministries is committed to ending the scourge of abortion through prayerful, peaceful means, demonstrating truth, love, and compassion to abortion clients, workers, escorts, and passersby. We ask all of our sidewalk volunteers (counselors and prayer supporters) to abide by these principles.

While participating in sidewalk ministry:

- I will remain peaceful, prayerful, and non-violent.
- I will strive to demonstrate Christian integrity, imitating Christ and following His commands.
- I will not promote contraception or IVF, only natural family planning for married couples.
- I will show compassion and reflect Christ's love to all.
- I will not threaten, curse, verbally abuse, or touch anyone.
- I will not intentionally cause harm.
- I will not intentionally stand in front of a vehicle or person entering or exiting an abortion facility.
- I will not litter, deface, or damage property.
- I will closely attend to and be responsible for any minors in my care.
- I will be polite and respectful toward law enforcement.
- I will not distract others or be distracted from sidewalk ministry duties.
- I will respectfully give and humbly receive correction from other sidewalk team members to improve our efforts in saving lives.
- I will abide by the training provided by Pro-Life Action Ministries.
